The Preconstruction Contractor Profile Form

We have streamlined the prequalification process and subcontractors only need to prequalify once a year

1. To get started all you have to do is complete our online Preconstruction Contractor Profile Form at https://claycorp.com/contact/subcontractor-pre-qual/subcontractor-prequalification-form/.

2. Upon submittal of this form you will immediately be added to our contacts in Building Connected, our bid management system.

3. You will receive an invitation to complete the FirstVerify prequalification process prior to any contract award over $50,000, any tier.
The FirstVerify Prequalification Process

1. Efficiently accumulate financial and safety data.

2. Quickly evaluate financial health of applicants.

3. Accelerate approval for companies with a strong financial position.

4. Internal Clayco team to assist subs that don’t receive initial approval.

5. For exceptions, continuous monitoring and assistance throughout the project.
